Dear Sir,

Proposal AGAL A029

I am writing to object most strongly to the proposal to the proposed housing development on the banks of the Tweed, opposite Abbotsford. This famous house is visited by people from all over the world and is situated in one of the most beautiful parts of Lowland Scotland. It would be a tragedy for Scotland if this hallowed location were to be spoilt for ever by a new housing development. I sincerely hope that an alternative location can be found for the housing and that this world-famous location will remain unscathed.

Yrs faithfully
