To whom it may concern,

I strongly object to any alterations to my ancestor's home and the surrounding area! As a Scott I strongly object to you doing this!!!! Please leave this historical piece of land alone. The trees would take DECADES to grow to adulthood. And even so, they would not fully nor properly cover the new housing. I am sure there are other areas of land you could find to build this new housing. Do not do this, I beg of you.

Formally,
Jillian Scott

Dear Jillian,

I email in response to your submission to the Scottish Borders Proposed Local Development Plan. Could I ask that you confirm the site that you are objecting to please?

This will then allow for your submission to be properly registered.

Kind regards
