What are your comments regarding this Site? :

Absolute craziness ! Have you tried to drive round the single track road ? Have you seen the congestion on Rosetta Road not to mention the parking and potholes ?

Typical of planningno thought what so ever about the infrastructure of our town....dentists , doctors and schools bursting at the seams

You only have to check the school roles.....I am a Primary School teacher in the town and we are at breaking pointI've worked here 24 years and with each new development there are huge increases to the school role with no additional staff or funding ...shame on you SBC spending millions on the Gala Tapestry when our roads, schools are a shambles

No to this proposed site, please rethink

It's just not viable , practical or even needed by the town
