Subject: [REDACTED] - Ninewells Mains Farm , Chirside .

Dear [REDACTED]

I act for the [REDACTED] family who own the above Farm and I write in connection with regard to the Ninewells Local Biodiversity Site grid reference NT 865555 extending to 8.98 ha.

My client has a number of concerns regarding the proposals and it is essential that a site meeting is held once lockdown restrictions allow .

Please take this email as formal notification that nothing should be designated without prior discussion with my clients .

You will note that I have copied this email to SBC as I am aware that the consultation period expires on 25 January.

Please acknowledge safe receipt of this email.

Kind regards.
