Quick Comment:

I have gifted an item of substantial worth to Abbotsford Trust. I also have known the Abbotsford site and outlook for the last 60 years. One of the environmental joys of the house and garden are the views and vistas. This development will be a scar on the landscape opposite Abbotsford and will have a detrimental effect on the site, views and situation of this important historical building with its incomparable contents. I wish to object to this housing development in the strongest terms.
