Subject: ELG43 Objection

CAUTION: External Email

Dear Sir/Madam

I would like to raise an objection to the planning for houses at Hollybush Galashiels. I believe the access for these houses will be via Gala Policies. The Policies are used by many residents of Galashiels and to cutdown many of the trees to facilitate the road access would be detrimental to this area and the community of Galashiels.

Also this road is a very busy road whilst children are being dropped off and collected from both Galashiels Academy (buses struggle here already) and St Margaret's Primary School and I strongly feel the increased traffic here would be asking for an accident to happen.

As is another road - Balmoral Avenue - again if access to these proposed houses was to be from here - this road is already very busy with school access and residents parking make the road in some parts only available to single traffic due to inadequate parking restrictions Therefore the increase in passing traffic would also be unacceptable here.

Please can these matters be fully considered before any decision is made.

Yours faithfully
Richard Mackay.
