I wish to register my disapproval of the plan to build the new Galashiels Academy in the Scott Park Galashiels. Building in this Key Greenspace is against the Councils own policy (EP 11?) There is no doubt that the new Community Campus will be a great addition to the welfare of the residents of Galashiels but out of 5 options the favoured one means the loss of this key greenspace. The so-called mitigations are simply ludicrous, the ground behind the school is marshland and although simple enough to build on - is NOT suitable for children to play on. The park does not belong to this group of councillors, it belongs to future generations.

Sincerely,

Lynda K Hearn
