**Dear Sir**

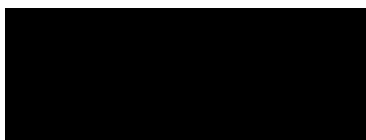

Planning Proposal AGALA029 Netherbarns

I would like to place my objection to this proposal at Netherbarns for 45 houses opposite Abbotsford.

I object on the grounds of visitors come from all over the world to see and enjoy Sir Walter Scott home, who was the famous novelist and Sheriff at Selkirk, the walks around it and the views from the house and paths.

This is a wonderful amenity for the Scottish Borders and Scotland with its glorious view over the river Tweed which would be destroyed by this proposal to build a goodly number of houses. Even with a wooded area screening the houses they would be seen half the year.

Yours faithfully

Ann B Smith
