Which Site are you commenting on?

Settlements F to H:

Galashiels: AGALA029: Netherbarns: Housing

What are your comments regarding this site?:

I object to this insensitive proposal. It will have a detrimental effect on the view from Abbotsford, a category A listed building, which cannot be ameliorated. While there is a need for new housing serious consideration is needed with regard to its location. Sir Walter Scott's home is a site of national and international importance and as a year round visitor attraction contributes to the local and national economy.
