Quick Comment:

I am against this proposal and the school being brought forward within Scott Park. At the moment there is a good boundary between school and park however with the proposed new position it seems to me that the park will be lost to the school and those associated with it.

I am moving to Scott Road soon and will live close to the entrance of the park, my worry is the loss of green space close to where I will be living - it is already very limited in Galashiels
