What are your comments regarding this site?:

We are regular visitors to Abbotsford whenever we are in Scotland. I was born and brought up in Galashiels. We enjoy, as with all visitors to Abbotsford, the views towards the surrounding countryside and in particular, the view from the front of the house towards the river Tweed.

The plans submitted for the Netherbarns development would completely ruin this iconic view. The plans must be refused and the area removed from this and any future planning applications.

Please note that the application includes false statements on the impact of the proposed development on the view from Abbotsford.

The detrimental effect on the number of visitors to Abbotsford should be noted.

Abbotsford is very important to the whole surrounding area, and receives visits worldwide as a result of Scott's legacy.
