Earlston: BEARL002: Townhead: Business and Industrial

What are your comments regarding this Site?:

I am apposed to this development, due to there being a substantial amount of residential property around this site and a secondary school across from it. As well as this the A6105 is already a busy road and having an industrial area sited here will only increase the amount of traffic, posing a risk to people and children living around it. I am also concerned about the noise levels and being and industrial site there is possibility for this noise to carry on out of hours should this plan be passed. I have young children myself and I am concerned for their safety as we border the site and have no idea of what type of industry would be there, pollution levels and noise levels.
