Darnick: GSDARN001: Darnick Community Woodland: Greenspace

What are your comments regarding this Site?:

Darnick Community Woodland is identified as key green space but this is marked on the plan as only the small strip of woodland running south of Broomilees Road and parallel to the Melrose Bypass. The much larger woodland, also maintained by the Darnick Village Trust, to the north of Broomilees Road and west of Darnlee clearly needs to be identified as key green space and protected as such from future development. This is a critical village green resource and one that must be protected from future development.

Site A to E:

Darnick: ADARN005: Land south of Darnlee: Housing

What are your comments regarding this Site?:

I support the use of this land for housing development but it will be essential to take this opportunity to widen the eastern end of Broomilees Road. This is already a pinch point and with increased flow of traffic to recent new development at Gilroy Gardens and no footpath it does present a risk to all road users including pedestrians.
