What are your comments regarding this Site? :

This is actually in relation to the built area north of Hay Lodge Park.

1. I would like to query the seeming extended area to the north of Kingsland Primary for 'development' which leaves only a narrow corridor in what is currently Neidpath Grazings. (See green rectangle on attached file). Are there plans for future development in the area north of the school?
2. I would also like to see the map amended to include an area which is now within the curtilage of our property, Staddlestones EH45 8NN. Several years ago we purchased the 'triangular' (red) area on the map from Peebles Common Good. In keeping with other areas of garden ground, I would request that this area could now be contained within the local development (black) area.
