Comment on Sites in Settlements A to E

Which Site are you commenting on?

Site A to E:

Darnick: ADARN005: Land south of Darnlee: Housing

What are your comments regarding this Site?:

Object to this site being considered suitable for future development/building of houses;

-site is positioned at village gateway and any development would impact significantly on street scape.

- against expanding the village boundary to approach Tweedbank as this undermines the anti-coalescence policy that is meant to keep settlements distinct.

- potential loss of mature trees and effect on local wildlife.

- any road access entirely unsuitable from Broomilees Road side of proposed site due to narrowness of road and poor sight lines.

- village has already seen recent development/expansion with Gilroy Gardens and Coatburn Green.
