#### Quick Comment / Supporting Information

Leave a quick comment about the Proposed Scottish Borders Local Development Plan, or planning and development in general.....

Quick Comment:

The associated light, sound and visual intrusions will impact adversely on our unique heritage assets, historic setting and the cultural landscape of the Scottish Borders and Tweed Valley. The impact will reduce the enjoyment of visitors to Abbotsford and reduce the huge economic contribution which Abbotsford makes to the region.

LDP 2 is based on incorrect information - specifically assumptions over the tree screen to Abbotsford and the year-round use of the historic property.
