Quick Comment:

Im staggered that you are even considering building houses by the Tweed opposite Abbotsford.

This would ruin the setting and ambiance of Abbotsford and totally destroy the reason why Sir Walter Scott built his house where it was....for the view across the valley.

This proposed development is directly opposite his house and could not be in a worse proposed location.

Surely houses could be built elsewhere if they are needed.

You are incredibly lucky to have such a fabulous historical house that brings in so many visitors to your location and this would ruin part of its attraction.
