## Application for Membership

Thank you for your interest in becoming a member of the Scottish Borders LAG. We are a community-focused group dedicated to the distribution of The Scottish Government's Community Led Local Development (CLLD) Fund.

We are a friendly and relaxed group that welcomes people from all walks of life. Our members share a common goal: to support our local communities in becoming thriving and resilient, with a special focus on helping young people.

We value diverse skills and knowledge, including but not limited to experience in the rural sector (farming, fisheries, forestry, etc.), business, community work, project development, age-related services, disability or disadvantage support, and local area expertise.
