

List of postcodes by locality in the Scottish Borders

The following is a list of all postcodes in, or partly in, the Scottish Borders that are currently held in our system.

Postcodes and locality boundaries are public information but can be hard to view without the correct software.

This list may not be complete. If the postcode you are looking for is not on this list and you think it should be, or if you would like this list in Excel (.xls) format, contact the Research and Information Team.
