#POWEROFTHEBIKE

World-class riding and more!

The Scottish Borders has a long-established reputation for hosting some of Scotland's most celebrated events, from the Borders Book Festival and Melrose Sevens to the Jim Clark Rally and the Tour of Britain.

And here in the Tweed Valley, we could not be more honoured to continue this tradition as a host venue for the 2023 UCI Cycling World Championships – the biggest cycling event ever to take place anywhere in the world.

From 6 to 12 August, all eyes will be on Glentress Forest as the world's finest riders compete in the Mountain Bike Cross-Country events, with a total of five rainbow jerseys up for grabs.

It's a perfect fit. After all, Glentress Forest is one of Scotland's most celebrated mountain biking venues, while the Tweed Valley has a proud history of producing some of the country's most talented riders.

But this is a special place both on and off the bike. So, as well as enjoying the action at Glentress, we invite you to discover what makes our year-round activity destination so unique – guided by our Fringe Programme of events.

Take a dip in the river or discover iron age forts in the hills; enjoy themed rides and talks; view community art projects; feast on local food & drink; catch an evening show, live music or even some rugby; try your hand at axe throwing or craft your own gin; put something back for the local trails; or just relax and watch the Tweed Valley world go by.

And best of all, with the Tweed Valley's major hubs all connected by a network of off-road, multi-use paths, you can ditch the car and get around on foot and by bike instead.

We've got a VERY big week coming up – we'd love you to be part of it!

Sun 13 Aug
Women MTB Social Ride

10am - 1pm

Starts at the FINDRA HUB in
Innerleithen, EH44 6HD
(Venue no. 13)

This event will take a lovely scenic route from Innerleithen to the Glen Estate, cycling past the house and through the valley until we drop down to the beautiful and very magical Loch Eddy. A stunning little spot, hidden away at the foot of the valley where we can refuel whilst we take in the view. We will then continue through the valley cycling up past Glen House as we head back to FINDRA where you can enjoy a coffee and a well-earned slice of cake at the FINDRA Hub.

This ride is suitable for intermediate riders, a good level of fitness is required. The only technical riding is the section coming down into the foot of the valley at Loch Eddy. This can be walked with your bike.

The terrain is a mix of road, off-road forestry road, and single track.
