Section 1 Data and Information

A. What evidence has been used to inform this proposal?

(Information can include, for example, surveys, databases, focus groups, in-depth interviews, pilot projects, reviews of complaints made, user feedback, academic publications and consultants' reports).

Data taken from the reports and policies as listed in IIA Stage 1 'Stage 1 Scoping and Assessing for Relevance', Section 2. These reports and policies provide both Local and National statistics.

Information and data provided by agencies, partners and organisations, e.g. NHS Borders, SBC's Local Area Coordination Team, Financial Inclusion Team, Communities and Partnerships Team and Housing Strategy, Policy and Development Team.

Report detailed input for those with lived experiences via case studies and quotes provided by SBC's No One Left Behind Team, Homelessness Team and Local Area Coordination Team, NHS Borders Joint Health Improvement Team.

B. Describe any gaps in the available evidence, then record this within the improvement plan together with all of the actions you are taking in relation to this (e.g. new research, further analysis, and when this is planned)

Anti-Poverty Members Reference Group, working with Anti-Poverty Data Group, will identify key collaborative priorities throughout the year.

Work to consolidate partner actions to align more closely with Anti-Poverty drivers continues.

These actions will help to highlight any gaps in our approach to Anti-Poverty.

Section 2 Consultation and Involvement

A. Which groups are involved in this process and describe their involvement
