

Proposed Governance Structure for Royal Hotel Site

14 September 2023

Grace Murray

Governance Structure Phase 1

Governance Structure Phase 1

Phase 1

To develop the necessary and appropriate documentation that will lead to the successful development of the Royal Hotel site, including:

Costed business plan;

Project plan outlining timescales for project completion, and

Planning permission for the site

Responsibilities of Teams – Phase 1

- **Communication & Engagement Team** – works with other Teams to ensure effective, co-ordinated messaging takes place through the use of all channels, including face to face engagement with the community
- **Funding Team** – works with all groups to ensure funding is secured and available at appropriate points of Phase 1 and preparing
- **Planning & Design Team** – develop plans for approval by appropriate agencies that reflects community demand and design principles
