Dear Mr Dickson

I am writing in relation to the proposals within the Local Development Plan for the Netherbarns Site. Site code AGALA029 (Netherbarns).

I have written to your department on previous occasions regarding this plan, my last letter was on 14 th May 2012, (previous letters were in 2004 and 2006).

The comments that I made in my last letter still represent my views and concerns in relation to these proposals, particularly those regarding the impact on Abbotsford, now that the house and grounds are open it is very important that visitors are able to enjoy the full benefit of the surroundings and the view enjoyed by Scott himself.

I also have concerns about the traffic congestion that we will impact on the A7 which is already significantly congested at peak times.

Yours sincerely

Dr Sandra Davies
