Dear Sir,

Local Plan 2014

Jedburgh Community Council considered the proposals in the Local Plan and would like to submit the following comments:

- 1) that Scottish Borders Council ensure that Oakieknowe is recognised as a site for development.
Jedburgh Community Council would like to see this area developed for housing.
- 2) that the proposal to make Abbey Road pedestrianized be removed from the Plan.
Jedburgh Community Council and Jedburgh Traders agree this road should not be closed to traffic.

Your comments would be appreciated in time for the next Community Council meeting which is March 18th 2014.

Yours sincerely

Richard Gordon
Hon Provost and Chairman
