Westwood Farm

Houndwood

Reston

Eggenmouth,

TD14 5TP

Dear Sir

I received your letter on Friday 6th December regarding the proposed local development plan.

You state that the site is already identified in the Scottish Borders Local Plan adopted by the Council in 2011. I did not meet or see anyone on site during 2011, nor did I receive any letters regarding the plan. The area marked red on the plan is on my property which I have owned for over forty four years.

I will not be selling any land to the Council for a cemetery.

The area marked is a great asset to the Farm at certain times of the year.

I have have worked and improved the Farm during the last forty four years.

A cemetery will greatly devalue my Property, something I will not allow to happen.

I do not want to look at graves which could contain some of my friends

Would you please send a letter stating that the enclosed document has been received.

Yours sincerely,

A solid black rectangular box redacting the signature of the sender.
