Hi,  
I am writing on receipt of a letter dated 2nd December regarding plans to develop site code RJ14B.

I am just writing to inform you that the drawing is inaccurate with reference to 3 Cherry Dean. I own the ground down to the boundary fence but have chosen to put up a wooden fence midway down the banking.

This gives the idea that I only own the area to my wooden fence but if you check the deeds ,which I have, you will see that I own the ground to the fence in line with No 2.

I wish this to be corrected and for it to appear on any further correspondence.

Regards  
Peter Beaton.
