Subject: Wrong name for site reference GSGREE001

**Re; Scottish Borders Council Proposed Local Development Plan, Vol 2 Settlements 2013.  
Greenlaw Settlement, Key Greenspace, Site Reference GSGREE001**

I wish to point out that the site name for GSGREE001 is **not** Greenlaw Football Club as stated in the LDP. This green space is called WS Happer Memorial Park and as owner of the site the Community Council requests that the site name be rectified. The WS Happer Park was gifted to the Community Council, attached was the condition to call it WS Happer Memorial Park, therefore it is extremely important that the Community Council ensures that this condition is upheld.
