Dear Mr Rob Dickson

Re: S.B. Local Plan - ST ANDRWS GATTONSIDE

I am very concerned that I have had no response to my phone call concerning your letter to me of 2/12. On this letter my house and garden are shown as part of the St Andrews development plan. You can surely appreciate my alarm!

I want immediate confirmation that this is a mistake, and also want to know where it originated.

I phoned as soon as I got the letter, & spoke to Mr Johnston, who promised to investigate, but I have not heard from him so far.

Yours Sincerely
