Subject: SBC Proposed Local Development Plan 2013 Swinton

Dear Sir

I understand that included in the above is the development adjacent to the school (ref: MSWIN002). We wish to object to this development for the following reasons:

- There is no demand for more housing in Swinton – present houses take months to sell. We understand the field behind the War Memorial (BSW2B) has been allocated for housing years ago and has not been developed.
- Swinton is not on a public transport route therefore there will be a need for private cars.
- There is no infrastructure (shops, post office) in the village.
- The character of the proposal is not in keeping with the existing village.

I trust you will consider the above when you are reviewing the plan.

Regards
