f.a.o. Martin Wainless, Forward Planning Manager.

Dear Sir,

Site Code: RKELSO02

I refer to your letter of 2 Dec., 2013. & would wish to comment on the proposal.

The proposed designation i.e. "proposed redevelopment opportunity" seems somewhat ambiguous and worrying.

The Kelso High School site is bounded in most part by residential property and of course Leynolds Park, the home of Kelso R.F.C. Any new designation should take cognizance of this and the future use of the site should be for residential and/or recreational purposes only.

2.

Any other use, e.g. commercial
or industrial, would not be in
keeping with the area, and would
perhaps have an adverse effect
on residential property values.

Yours faithfully,

(MR. W. M. McGUIRAN)
