Dear Mr Dickson

**Scottish Borders Local Development Plan 2013
Proposals for an Amendment to the Landscape Designations Feb 2014**

We write with reference to the above proposed Development Plan and with particular reference to the group of residents local to Newlands.

Having considered the proposal at the last LNKcc meeting we write in support of the submission by the local group written and illustrated by Jim Pratt and dated February 2014, and agree that the area defined as the Lyne Catchment be included in the Tweedsmuir SLA for the reasons stated.

We should be obliged if this view could be considered as the submission of LNKcc.

Yours sincerely

John Purchase
Secretary LNKcc
