Dear Sir / Madam

Response from Parish of Stow Community Council to the Local Development Plan

The Parish of Stow Community Council wishes to object to the proposed plan for the village of Stow.

We consider that development of the land at Stagehall adjoining Wedale View is imperative and this needs to be included in the local plan (please see enclosed map reference 30).

The Wedale View development was never completed adequately by the developer and this needs to be addressed by allocation of this area for development within the Local Plan and inclusion of this area within the village boundary. This will add to the amenity of the area.

Yours sincerely

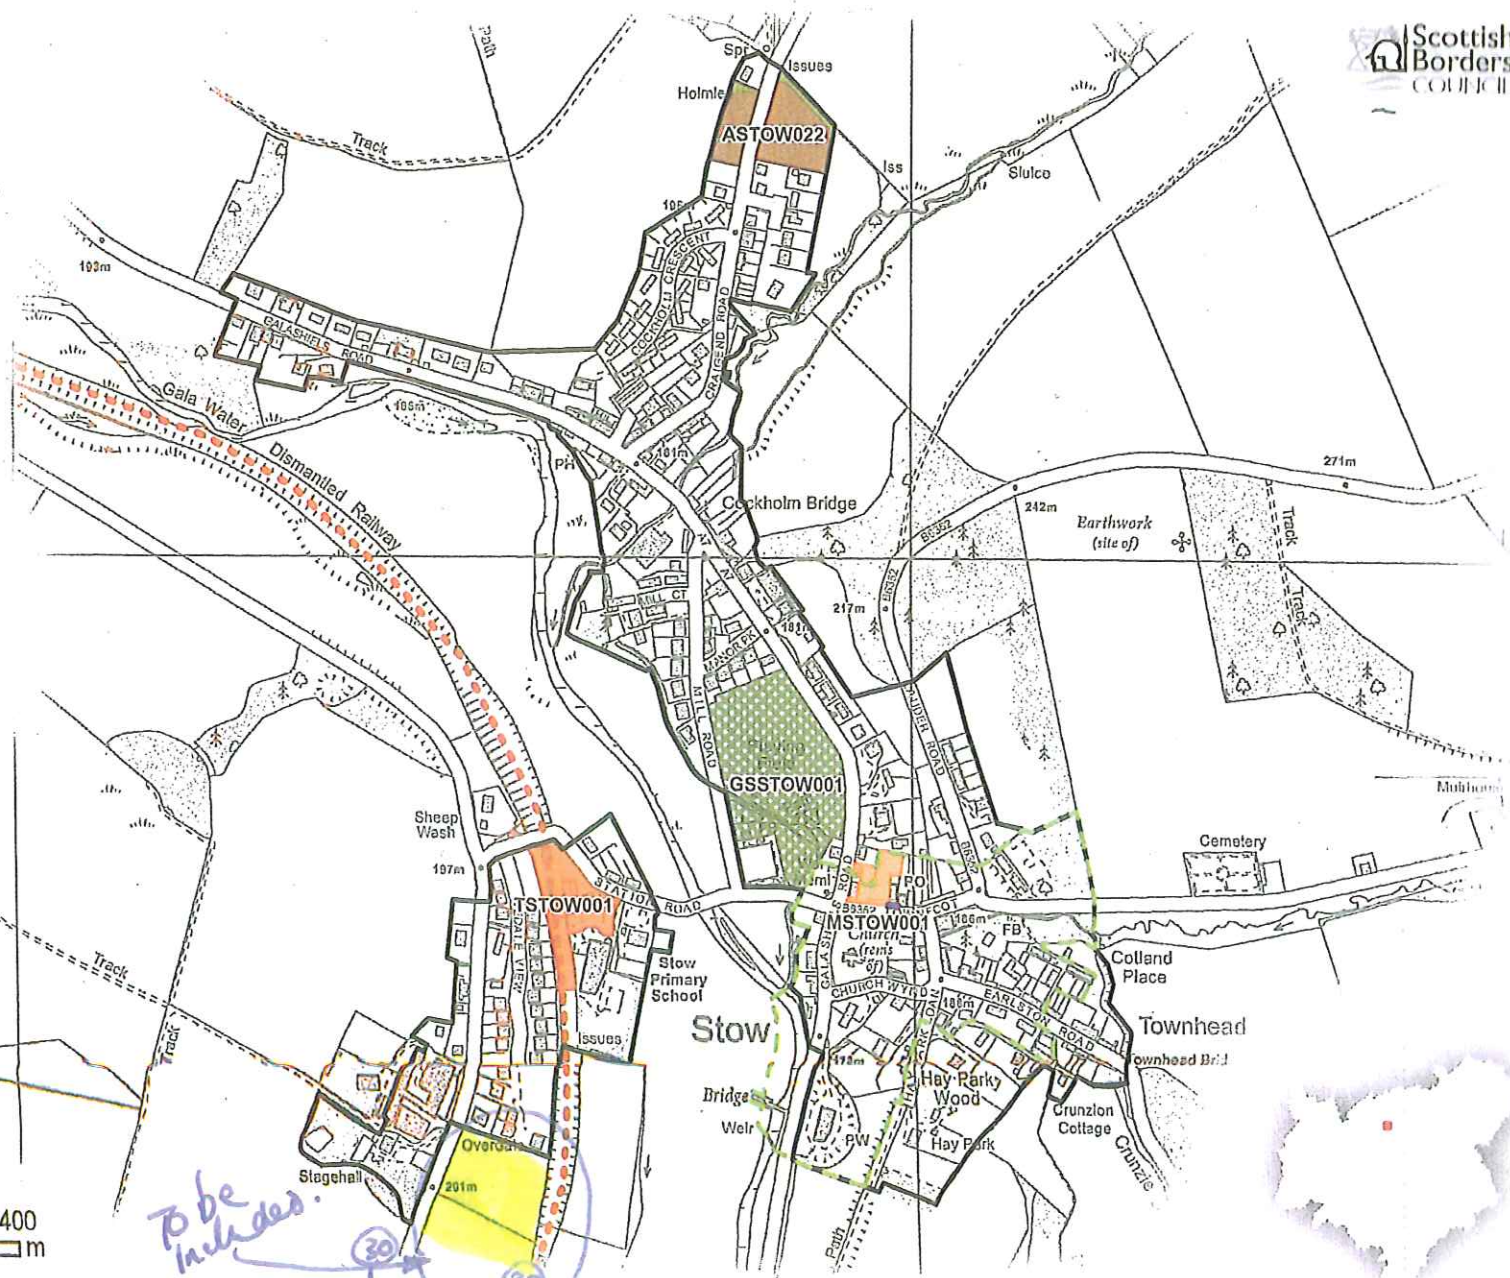

Jenny Mushlin  
Secretary, Parish of Stow Community Council
