What is an eAudiobook

An eAudiobook is an electronic talking book that you can download and listen to on your PC or portable device.

SBLibraries use two companies for eAudiobook provision, Bolinda Digital and OneClick Digital. You can borrow up to 4 titles at a time for 2 weeks from each provider. At the end of your loan period the loan automatically expires. Please remember you are obliged to delete any file at the end of the 14 day loan period.

What do you need

To get started you need your library card number and PIN, access to the internet and a computer or suitable portable device eg smart phone to download the eAudiobook to. You also need to sign up to use the service on the Bolinda Digital and OneClick Digital websites where our eAudiobooks are held.
