GUIDANCE NOTES

The Borders Adult Learners Awards take place each year to celebrate the achievement of adult learners in the region. Entry is open to post-school learners who are currently resident in the Borders. The Awards aim to;

- Recognise the achievements of adults who, at times against considerable odds, take their future into their own hands and benefit from the opportunities available to enhance their knowledge, quality of life and job prospects.
- Tell the stories of these learners so that others may be inspired to raise their aspirations and improve their life chances through learning.

Nominations are open to **individuals** and/or **groups**. *Nominees from previous years can be re-nominated for new learning undertaken but NOT for the same learning as in previous years.*

Judging and Awards Ceremony

- The Awards are organised by representatives from Borders College, Live Borders, Scottish Borders Council, Scottish Borders Housing Association, Skills Development Scotland and Volunteer Centre Borders.
- Judging will be carried out by a panel of independent people from the above organisations.
- Only the information contained on the nomination forms will be considered. No supporting material will be accepted.
- The judging will take place during March 2020.
- The Award Ceremony will be held in on Thursday 2nd April 2020 at Earlston High School: doors open at 6pm, buffet 6.30pm, ceremony starts at 7pm
- In the case of a group nomination, **two** representatives of the group and their nominators are likely to be invited to attend, as it may not be possible to invite every member. (Our numbers at the event are limited by the size of the venue!)
- At the ceremony, all nominees will receive a certificate of achievement and Award winners in each category will be announced.

Nomination forms should be completed in black ink or typewritten (the form is available electronically), with all sections completed, signed by the nominator and the nominated learner or group and returned by noon on **21st February 2020** to:

NOTES FOR NOMINATORS

1. Please complete all sections of the form as thoroughly as possible so as to give a full picture of the learner and their learning journey. The judging panel will make their decision based purely on the quality of information that you and your nominee provide. Please assume that the judges know nothing about your nominee and the learning they have undertaken and do not use abbreviations.
2. Ensure that the learner's name appears in the form that they would like it to appear on the Certificate.
3. Please ensure we have a telephone number for you so we can contact you without delay if there are any queries.
4. Anyone can nominate an individual or group for an award: tutors, trainers, colleagues, family members or friends. If you are a family member or friend of the nominee, please obtain a letter of recommendation from someone who knows them in a different capacity (e.g. their tutor).
5. When telling us about your learner, it would be helpful to consider the following;
 - The stages of your learner's achievements, the length of time they have been undertaking learning and any qualifications or milestones achieved.
 - Any obstacles that they have overcome, personal goals achieved or progression to further learning or work.
 - Has their learning helped them to put something back into the community? Have they engaged in teaching, volunteering, or other activities which benefit other people?
 - Explain why you think this learner's story would help inspire others to participate in learning and what makes their learning special to them.
6. The categories this year may be subject to change but are likely to include:
 - Young Learner (16-25yrs)
 - Learner in the Work Place
 - Mature Learner (50+ yrs)
 - Learning in a group
 - Learning in the community
 - Accredited learning
 - Learning through volunteering
7. All nominators will be invited to contribute to a short film, detailing why they have nominated this individual learner. Each nominator's contribution will last no more than two minutes.
8. Before each category winner is declared, the nominator is invited to say a few words about their nominee's achievements. Nominators are, therefore, actively encouraged to attend the event prepared to give a brief overview, should their nomination be successful.
9. Do not complete the learner's statement for them unless there is a very good reason why they cannot complete it themselves. Please write a covering letter if you have completed the learner's statement explaining why.
