

Lelham Village

I stay at Lelham since [redacted] I stay
Lelham Toll sadly is gone ^{There's pers. on road}
August 1948 Flood was still still next
Lelham House down to Pressure

I say Building New House is Clifted
to come over Bridge that Memorial —
turn right is still just Now To Build
Other is still how say 30 New car —
Traffic I'm Planning in this world —?

You never seen what traffic from
Bridge today is still —
New Village. can be 15 car Park on
right is still I have almost accident
to get from Village to go deho just awful.

To Building to still Behind
Street Road — Other 30's more car —
Traffic but Now is still how car from
Street Village is still

I drive my home left hand Car
to get awful car Back Parked is other
accident checking - where do we go
right in car

Standing down Village. where are these
going go in Town flooded is still
Sense has told all these No
More Building Now say .No Problem? I
Question

And People Run to New House
to change the Traffic down Village

Corner all these Pet Co's —
to Leho Road from Bridge to
come into Village of Bay is
well

I think you do not see the
world you stay at Meeting Never
come see the Problem.

Too Busy at Meeting Talk what
Nothing happens, just get Building, war
above Best Traffic is what well well

Now

Its time as taking time to
write you News well well No
But But Meeting Planning or
in this world

To your written letter
Not is to None

Yours

Note

When Bridge is built all traffic is
stop other Problems, come from
Stichell Bees well Speed is well

Now
