Question 6

Agree?:

I do not agree with the disproportionate allocation of housing in Peebles, compared to the rest of the Borders.
It will place undue pressure on schools and on medical facilities.
It will destroy the 'small town' character of Peebles.

Question 7

Housing agree?:

To specifically address the proposed Eshiels development:

The area between Eshiels and Cardrona is exceptionally beautiful.

It provides a range of recreational activities within quite a small area.:

A nationally renowned mountain biking centre.

Horse riding

Golf

Walking

Cycling

Fishing

The suggested development will destroy much of the attraction of this area and undermine ongoing investment in the recreational facilities.(vis. the current expansion of the 'wigwams' at Glentress.)

It will be detrimental to wildlife.

It will disrupt a site of archaeological interest: the Roman marching camp that is situated on both sides of the A72.

The infrastructure will not support such a large expansion. At this point the A72 is narrow and carries a considerable amount of traffic of all types. There is pavement on one side, but it is very narrow in some places and is also used as an unofficial cycle path.

Local residents use it as little as possible as it is dangerous.

There are no schools or shops on the site, and this road will be the only access to Peebles.
