Planning for housing

Question 7

Housing agree?:

Peebles is already at total housing capacity. The additional housing proposed is far too much. Making Eshiels and Cardona much bigger satellites of Peebles will destroy the countryside feel of the Western Borders plus new families there will have to use Peebles already over stretched facilities. The only Health Centre in Peebles is inundated - If you want to see the same GP (which is far better for the patient outcomes) you have to wait 4 weeks. If you need to see a GP on the day you have to queue at the surgery from 8.30am to get an appt when the Centre opens or try to phone in on constantly engaged lines. The High School is at capacity and the town centre cannot provide any more parking without out of town shopping, which is most undesirable.
