Planning for housing

Question 7

Housing agree?:

We support the draft allocation reference ADENH006 for 12 houses at Thorncroft, Denholm. All the site requirements specified in the preferred option are capable of being met. This land is free from constraints and adjacent property has been acquired to provide sight-lines for a new access to the A698 road,. The owners allowed Eildon Housing to construct both surface water and foul sewers across their site, and these were upgraded in capacity to allow this system to accept flows from the proposed development. Connection points to these public sewers can be made from within the draft allocated site. The site lies within the "Development Boundary" of Denholm and is, in part, a brown-field site. Public transport is available immediately adjacent.
