Planning for housing**Question 7****Housing agree?:**

Agree that any development should not be on any land liable to flooding. Any additional housing needs to match infrastructure capacity. Should the plan not identify possible sites for a new High School. Health Centre and second crossing over the Tweed. If sites for a High School and Health Centre are not identify then does that mean thinking at this time envisages redevelopment on existing sites.

Yes!

Transports links

An upgrade of the east/west road link based on the A72 and further east with particular reference to new road from the north side of the Yair Bridge east to the A7 where it crosses the Tweed. This would obviously offer a bypass to travelling through Galashiels from say the BGH.

Extend the railway from Tweedbank to Hawick.
