Question 7

Housing agree?:

I disagree with the option to develop the Netherbarns site, Galashiels (AGALA029) for housing because of the visual impact that it will have when viewed from Abbotsford House. The land is very sloped and the suggestion that it can be screened by trees is unrealistic. Abbotsford House itself is elevated above the river and the proposed development on Netherbarns will be detrimental to the image that visitors will take from visiting Abbotsford. The Abbotsford Trust has invested hugely in the House and grounds and the status of Abbotsford as a major tourist attraction could be affected.

I would prefer to see more brown-field sites being developed rather than green-field sites.
