Regeneration**Question 15****Agree redevelopment:**

We have used aerial imagery to identify sites where it is likely that we will be a statutory consultee should they become the subject of a planning application. Site ref. RJEDB003 Howdenburn Primary School appears to include an area of playing fields. It is not clear if this falls within the definition of an 'outdoor sports facility' as set out in the Development Management Regulations. If so, in later drafts of the Plan we request that reference be made to the existence of an outdoor sports facility at this site, and the need to take account of this in any development, with reference to SPP. In the event that we have failed to identify any other such site, the consultation requirements of the Development Management Regulations will still apply and, where we are consulted, we will consider proposals against the provisions of SPP (specifically paragraph 226).

Planning policy issues**Question 18****Agree amendments appendix3:**

Our comments are limited to policies potentially more directly relevant to places for sport and recreation. We support the retention of policies EP11 Protection of Greenspace and EP12 Green Networks. These policies seek to safeguard and improve green spaces including outdoor sports facilities as well as less formalised places that also provide opportunities to participate in sport and recreation.
