

Vision for the Campus

Bringing People Together

- 01 Provide a single learning space for everyone within **the Community** to learn, develop and be healthy
- 02 Provide a space where **everyone in the Community** can attain, achieve, participate and be included

Including and Supporting Our Most Vulnerable

- 03 Provide a space where the most vulnerable children **and citizens** are supported and included
- 04 Provide a secondary based learning space for young people with Additional Support Needs

Learning and Achieving No Matter One's Age

- 05 Embed learning as a lifelong journey with **access to resources and facilities regardless of age or ability**
- 06 Embed **learning and employment**

Taking Part and Being Part of It

- 07 Provide a space where the talents, abilities and skills **of everyone in the Community** are brought together **for the benefits of all**
- 08 Embed **healthy living** – diet, lifestyle and activity
- 09 Create a new shared identity and ethos for the town with a new learning environment sitting **at the heart of the Community for the Community**

Making the Most of What There Is

- 10 Maximise use of **all Community and council resources**
- 11 Create a **one stop shop approach to service delivery**
