

## Town Hall; Your Views

---

**01** What options should be considered for the future of the building that will maintain or enhance the vibrancy of the town centre and why?

**02** Are there any options that shouldn't be considered and why?

**03** Which community representatives should be consulted as part of the feasibility study for the building?

**04** Are there any other points you'd like to raise about the Town Hall building?
